

CALENDAR OF CARING 2011

Join Saint Paul Parish in our ongoing **S**ervice and **O**utreach.

Show your care by thinking for a moment of a neighbor's need.

Then turn your thought into action. *YOU have the option to care - one month . . . some months . . . or all months! You can also add some additional "care" to our monthly Charities Collections.*

Items will be collected the THIRD WEEKEND of every month in the vestibule of the Parish Center. Keep this Calendar handy for reference as to what items are being collected each month.
